2. [REDACTED], [REDACTED], was in to see me about the Agency's retirement policy. I advised him that as a matter of Agency policy we would definitely want people who were eligible to retire with a full annuity to do so; however, we hoped to arrive at mutually satisfactory arrangements with each individual and if an individual had unique qualifications an exception could be made. I told him that whether [REDACTED] wanted to ask for an exception in his case would be a matter for them to decide. Since he was seeing [REDACTED] later in the day I telephoned Roger and told him of my meeting with [REDACTED] and the advice which I had given him. 25X1A9a

3. Jim Garrison asked me for [REDACTED] to replace [REDACTED]'s Chief of the Logistics Planning Staff. I told him that if [REDACTED] actually left I would try to make Bill [REDACTED] available and have asked [REDACTED] to look over the field for a replacement for Bill. 25X1A9a

4. The Department of the Army has nominated [REDACTED] to replace [REDACTED] sometime next spring. [REDACTED]'s orders have not been cancelled and probably he would not be leaving until about March.) I agreed to contact a friend of mine at Fort Monroe to find out what he knows about [REDACTED]. 25X1A9a

5. I lunched with [REDACTED]. We talked very briefly about the future of the Management Staff and I told him that I would like to have him do some serious thinking about this matter and that I would like to discuss it with him before too long. I also asked him to look at the Eyes Only memorandum about [REDACTED] and to discuss this with me before too long. 25X1A9a
